The End of Spring Semester is Here!

Get involved!
Getting involved with clubs and volunteer opportunities helps you build your resume, and network. It’s also fun :)

CS Clubs
Join one of the CS Clubs! Look for more details about meeting times and dates next fall.

ACM: Student chapter of the Association of Computing Machinery.

BBS: The Black Box Society cybersecurity club.
Good luck on your finals and have a great summer!

**Tower Day!**
On April 12, 2018, CSU celebrated undergraduate research. Students from computer science presented and two students won awards. Peter Keres won the QEP Scholarship award for his poster "Not one more." His mentor was Dr. Lydia Ray. Gabriel Bello won the Highest Award for Tower Day Presentation for his work with Dr. Yesem Peker, "A Bluetooth Security Investigation."

**Women in Technology Event**
As a part of Tower Day, our Women in Technology group hosted the company PivitU for a workshop on how to get your dream job. The response was overwhelmingly positive. Students who attended reported that they feel much more prepared for job and internship hunting.

**Accepted Student Day**
Thanks to Dr. Rodrigo Obando and the CSU student chapter of the GGDA for helping out with Accepted Student Day on April 21. Students considering coming to CSU in the fall visited campus. Prospective CS and IT majors were able
